Legislative Luncheon 2025: Mike Hutt has confirmed with Jay Braxton that this event will be held next year. The VMPB is scheduled for the first Wednesday of the first full week of session in 2025. The VMPB will discuss menu and catering for this event at the next board meeting.

2024 Virginia Waterman's Association Banquet: The 2024 Virginia Waterman's Association Banquet was held at Omega Protein on February 16, 2024. Mike Hutt and Owen Hynson attended and said it was a great event and fried Blue Catfish was served to attendees. J.C. reported that it was the largest attendance at the VMA banquet ever and that they might consider moving it to a location that can accommodate more people next year.

2024 SeaGrant Legislative Reception: The 2024 SeaGrant Legislative Reception was held at the Virginia Library in Richmond on February 28, 2024. Mike Hutt and Owen Hynson attended this event on behalf of the VMPB and reported that the event was well attended and that some members of the legislature were in attendance, and some were in meetings and could not attend. Sabine Rodgers used the VMPB display boats during the event.

SENA 2024: SENA is the largest seafood expo in North America. It was held March 10-12 in Boston. Mike Hutt and Owen Hynson attended this event for the VMPB. Before Mike and Owen were able to travel to the show the catering company that they had contracted to serve Wild Blue Catfish fillets informed them that they would not be able to work with them, Mike met with them during the show and guaranteed that they will be able to work with the VMPB during SENA 2025. At the 8/17/23 board meeting the VMPB approved using board funds to allow Ben Stagg to travel and assist Mike and Owen during SENA 2024. During the show they displayed Virginia Seafood products for potential buyers and gathered 65 trade leads that they send out to industry members after the show. Mike & Owen would like to thank Ben Stagg for his help during SENA 2024.

2024 VA Food & Beverage Expo: This event is held every other year and was held at the Richmond Convention Center on March 27, 2024. This is a one day show that VDACS provides the VMPB exhibition space for at no cost. Mike Hutt and Owen Hynson worked the VMPB booth for this event with a display of Virginia Seafood products, served Blue Catfish, and gathered 14 trade leads for the industry. Governor Youngkin and First Lady stopped by the VMPB booth during the event to support the Virginia Seafood Industry. Also, Governor Youngkin and First Lady Youngkin sampled wild caught Blue Catfish. Mike & Owen would like to thank Melissa Ball from VDACS for working the VMPB booth with them during the event.

SUSTA Spring Conference: The 2024 SUSTA Spring Conference was held in New Orleans between April 9-10, 2024. Mike Hutt and Owen Hynson informed the board that because of work related to SENA and preparation for SEG that they were both unable to attend the SUSTA conference.

SEG 2024: This event was held April 23-25, 2024, in Barcelona, Spain. Mike Hutt and Owen Hynson attended this event representing the SUSTA region. Mike Hutt went under SUSTA funds and Owen Hynson travel was provided by VMPB funds. SEG is the largest seafood expo in the world and SUSTA provides the VMPB with the ability to showcase Virginia Seafood at the SUSTA Pavilion. Mike Hutt and Owen Hynson gathered 78 trade leads for the Virginia Seafood industry during the event. Mike Hutt was a SUSTA co-activity manager for this event, so he helped co-exhibitors at the pavilion, gathered trade leads during the show, set up a seafood display including Virginia Seafood products, and worked with the chef to provide samples of wild blue catfish and scallops for the attendees. Owen Hynson assisted Mike Hutt with all these tasks during the show. Owen Hynson also completed all commercial invoices and health certificates for the samples shipped to the show.

Southern Association of State Department of Agriculture (VDACS) Hosting, June 2024: VDACS will be hosting this event for the other Southern Region Agriculture Departments. VDACS is interested in highlighting the Virginia Seafood industry during this event. They are taking a tour to Hampton on June 18th, 2024, during the event and have them tour the new VT Seafood AREC, and Blue Catfish processing at Amory Seafood and sampling wild blue catfish fillet.

SEA 2024: Mike Hutt is a co-activity manager for this event and will be traveling if enough companies sign up to make it viable for SUSTA. Mike Hutt and Owen Hynson are still looking for interested co-exhibitors to sign up for this show. This show will be held September 4-6, 2024, in Singapore.

Blue Catfish Marketing with Wholechain in Boston & Barcelona: The VMPB and VDACS were co-sponsors for two events held during SENA 2024 and SEG 2024. On the first night of SENA 2024 Mike Hutt traveled to the Boston Aquarium to give a presentation about Blue Catfish in front of attendees in the seafood industry including various potential buyers they were then given the opportunity to sample Blue Catfish. The same type of event was held on the second night of SEG 2024 at the Barcelona Aquarium. Mike Hutt reported to the board that the event generated a lot of positive feedback from the audiences for Blue Catfish and led to potential buyers requesting more information about Blue Catfish.

NEW BUSINESS

Skrimp Shack: On February 21st, 2024, Mike Hutt met with Kyle Rowley, owner of two Skrimp Shack franchises and the head buyer of 23 Skrimp Shacks locations to provide him with samples of Blue Catfish. Mike Hutt answered any questions he had as his cook prepared the samples and Kyle Rowley was very impressed with the Blue Catfish provided and after a soft launch of the product in select locations Skrimp Shack currently has a full launch of Blue Catfish at all 23 locations. Mike Hutt and Owen Hynson reported to the board that they stopped at the Skrimp Shack in Newport News before the board meeting and had the Blue Catfish.

Virginia Beach Rescue Squad Oyster Festival: This event took place at the Virginia Beach Convention Center on March 3rd, 2024. Mike Hutt and Owen Hynson attended this event on behalf of the VMPB. Mike and Owen were provided with a 10ft. booth and they bought educational material for anyone in the public interested in learning more about Virginia Seafood. This was a well-attended event but not a lot of traffic at the VMPB booth.

VT Sustainability Summit: The Virginia Tech Seafood AREC held a sustainability summit at the Virginia Tech Newport News Center on May 3, 2024. Mike Hutt gave an presentation on wild blue catfish on behalf of the VMPB and informed the board that it was a well-attended event.
